Dear Mostyn

Thank you for your email to Geraint.

We'd been told about the absence of a mobile signal near this telephone box in January. Our testing confirmed this and we removed the box from our list of planned removals. This means the public telephone service from the box will continue for the foreseeable future.

I trust this helps with your reply to enquiry.

I've indicated some contact details below in case you would like to discuss further our plans for the box.

Kind regards
