Dear Mrs Finch-Saunders

Re: Mobile signal in Ysbyty Ifan

Thank you for your letter dated 18 July asking if we have any plans to improve and provide mobile signal in Ysbyty Ifan and the surrounding area.

I am happy to advise we are adding two new 4G sites to the West of Ysbyty Ifan so any customer on our network will need 4G smart devices as there are no plans for 2 or 3G in this area. At the moment we do not have a definite date but it will be in the near future.

Kind regards

Executive Customer Resolution Team
